Adjournment

Remarks by Acting Mayor Pam Copley

Thanks for the invitation, Tara took the words right out of Pam's mouth. Thirty people attended on this beautiful day.

CAOBS is a valuable way to get things done. Formation of CA is often issue driven or highly politicized or in response to crisis

CAOBS is based on a sincere desire to bring neighbours together and celebrate what we have, provide a forum, share skills and experience. Lots of talent in Oak Bay seems to go everywhere in greater Victoria, but lets us provide an opportunity to collaborate and have fun as a group here in our own Municipality. On behalf of council Pam commended the vision, commitment, hard work and gives best wishes, Council wants to hear from us – ideas or concerns, if Council can help without any \$ let us know.
